

Welcome letter and expectations

Dear Parents and Students of AISM,

I hope that your summer was filled with wonderful memories and adventures.

My name is Lama Hajj, and I will be your children's foreign language teacher. This is my second year at AISM, and we will start the journey of 'The Year of The Honey Bee' together!

As the characteristics of the Honey Bee, they can fly at a speed of 20 miles per hour, and this is how we can go fast in learning in AISM, with great teachers and the best team ever!

This year is going to be full of learning and conversing; I am very excited to be your children's teacher.

Our goal in the foreign language department this year is to learning a second language fun. I will always help the students work as hard as they can. Learning from our mistakes will be our motto, as we will work together to provide motivation and encouragement.

As Federico Fellini, my best filmmaker, said: "*A different language is a different vision of life*".

I have great enthusiasm for working with your children, and I will do my best to help each student achieve these expectations, with:

- A full positive support
- Supervision for all the students in class
- Teaching and re-teaching for better understanding
- A motivational environment

I only have ONE important rule in my class: **Respect**

- **Respect** your school and follow all the school rules
- **Respect** your teacher and your classmates
- **Respect** yourself and come to class prepared to learn

I am thrilled to be starting this year's journey with your children! I look forward to watching them learn, grow, and have a fantastic time!
