This Liberian Holiday is called William Tubman's Birthday and it marks the birthday of the longest serving President of Liberia: William Tubman. Tubman served as President of Liberia from January 3, 1944, until his death in 1971. Tomorrow, the school will be **closed**, as we recognize this official Liberian Holiday.

This school year, **“The Year of the Wildebeest”**, has seen **over 40% of our families** new to our community. Here at AISM, the old axiom, “the only constant is change”, may be true among our transient student population; however, we are fortunate that it is **not true** with either our academic program or **our strong parent community**.

Both the recent report cards and the Trimester I MAP results show us that, here at the American International School of Monrovia, we are preparing your students not just academically, but also emotionally and socially for an ever-changing world.

To that end, we just want to quickly mention our Holiday Program and PTA Christmas Bazaar. The Holiday Program, as noted below, is on Friday, December 7th, at 2:00 pm. (We have adjusted the time from prior years so that we can enjoy our students' performance and not the traffic). Below is the program; please be sure to also mark the dates for our upcoming AISM events.
