

The PTA does it again!

Re: **Teacher Appreciation** Breakfast on Monday/Lunch on Wednesday.

May 9, 2019

On behalf of all the Faculty and Staff here at the American International School of Monrovia, during the “Year of the Wildebeest”, I would like to send a formal “thank you” to our PTA, and to our entire School Community, for a successful **Teacher Appreciation Week**. On Monday, the PTA and our community members provided the AISM team with a delicious breakfast. On Monday, if you noticed that the AISM team was “**extra strong**” in their lessons...it is because I switched the **mild coffee** to “extra strong!”

Yesterday afternoon, the PTA and our school community provided an afternoon “brunch” to our teaching team. As per the pictures below, there was a lot of great food (with multiple options representing the cultures of AISM). I was informed that it was a delightful event, with excellent company --- perhaps it was because this time I was absent from the program and everybody enjoyed “regular coffee” and soft drinks with their meal!

Once again the PTA and our greater parent community continue to demonstrate their key principle of “**working together for excellence.**”
