

Dear AISM Community,

The AISM Student Council would like to **thank you** for an amazing “Year of the Wildebeest.” Your support helped us throughout the year and we really appreciate it!

In order to give back to the community, the Student Council decided to focus on Lower School this year for our annual project. Last year we purchased lockers for students in Grades 5 – 10 to keep student valuables safe.

This year we are dedicating funds (\$400) to construct a four square court and a portable tether-ball pole. A presentation was made to Mr. Trudeau on the behalf of the school in the morning assembly.

Thank you again for your help and trust in the AISM Student Council. We wish you all the best and a safe summer!

Please see photo below.

Regards,

AISM Student Council President
