AIMS ECE III Weekly Newsletter

DEAR ECE III PARENTS

This week was an important one to check into our learning with assessments. Students worked hard at focusing their attention on the online assessment questions. The MAP and reading level results will be shared soon.

Picture below: The Peace Song

**Please asked your child to
sing the chorus from the
Peace Song.**

ACADEMICS

In reading, students enjoyed listening to and reading books by a variety of authors. They practiced high frequency words in their workbooks and explored identifying letter sounds at the beginning and end of words. In writing, they wrote stories about shared topics.

In math, the children continued practicing subtraction. They showed their work during floor time activities.

In Social Studies, the children named the months of the year. They also learned their birthday date.

In science, the children explored different types of soil in the science lab.

We continue to reinforcing the social curriculum to sustain positive learning behaviors in the classroom, Children need to feel safe and the class rules reflect their understanding of this.

CLASSROOM RULES:

- ❖ Listen to the speaker
- ❖ Sit safely
- ❖ Hands to self
- ❖ Follow directions

OUR THANKS

REMINDERS

Monday, March 16th, is JJ Roberts Birthday. Enjoy the day off.

Library time is every Monday. Thank you for returning the library books every Monday to get a new book.
